

Overcoming Barriers & Fulfilling the College Promise

Dear Alumni of Integration Charter Schools,

Welcome to life as a graduate of Integration Charter Schools. You are still a very important part of our family and we want to continue the relationships we have built throughout the years. The mission of the Alumni Association is to develop life-long relationships between Integration Charter Schools and its Alumni. Integration Charter Schools will encourage its alumni to actively participate in school activities and events, promote the values of the organization, and to share their knowledge, experience and successes with students and faculty.

This year, I have taken on the role of Alumni Coordinator and am looking forward to creating an ICS Alumni Division that supports its mission. As your Alumni Coordinator, one of the most important things is to be able to communicate with all of you. In doing so, I would love to have updated information on each and every one of you.

There are ways we are able to support you and want you to stay connected and active through the programs and events we sponsor and organize, including:

- Social Events
- Faculty and Staff Presentations
- Sporting Events
- Outdoor Recreational Opportunities
- Reunions
- Homecoming

In addition, please visit our Alumni web page and register your contact information, if you haven't done so already.

Thank you so much and I look forward to establishing the best alumni organization that benefits all of us.
