Social Distancing:

Social Distancing means six feet of space in all directions between individuals or use of appropriate physical barriers between individuals that do not adversely affect air flow, heating, cooling, or ventilation, or otherwise present a health or safety risk.

Everyone should:

- Keep a distance of at least **6 feet** to help slow the spread of COVID-19.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your cough and sneezes with a tissue and discard it in a closed container.
- Clean frequently touched surfaces and objects.
- Avoid sharing personal items.
