

Dear Lavelle Prep Middle School Community,

Exciting news! The countdown to the new school year has begun. We're thrilled to have our families returning and can't wait to welcome new students and their families. You are a vital partner in your child's success, and your continued interest and support matter greatly. Together, let's make this year a happy and successful one!

We expect our students to approach their studies with dedication and curiosity, embracing challenges as opportunities to grow. Respect for themselves, their peers, and the school community is paramount, fostering a safe and inclusive environment for all. Attendance and punctuality are essential for consistent learning, and active participation in class discussions and activities will enhance their understanding of various subjects. We encourage open communication between home and school, as it plays a crucial role in the academic and personal development of our students. Together, let's strive for a successful and rewarding middle school journey for each and every student. All students are expected to be in school uniform as it promotes a sense of unity.

To ensure that your child has a great start to the new school year, please visit our website www.Lavelleprep.org for important school information or click on the links below.

Important Dates & Reminders:

- First Day of School for All Students will be on September 7th at 7:48 AM
- Meet the Teacher Night will be on September 21st at 5:00 PM
- Please view the Student Handbook on our website or [CLICK HERE](#)
- Please view the supply list on our website OR [CLICK HERE](#)

It is an honor and privilege to serve as your principal. Together, we know we will make this coming school year one of growth and achievement for all children. Enjoy the rest of your summer break and feel free to reach out at any time with questions or concerns.

Best Regards,

Alison Lo Savio
