

Dear Lavelle High School Community!

It is with great pleasure that I welcome you to the 2023–2024 school year. I am pleased to share that Lavelle High School staff is deeply devoted to making a positive difference in the lives of our students. We enter this year having achieved a 100% high school graduation rate last year and we look forward to continuing that excellence. We pride ourselves in giving our students the attention they need to achieve the success they deserve. We will continue to accomplish this by setting high academic expectations for all students, setting high standards for teacher performance, and engaging the community. We are committed to continuing to support our families during the school day and beyond. Family partnerships are the key to our success as a school. We can't do it without you! Together we can help your child learn and grow as individuals and strong community members.

I am thrilled about the opportunities that Lavelle's excellent teaching staff and its outstanding students will have to engage in meaningful activities that will present your child with great learning experiences. Our student expectations of Be Safe, Be Respectful, and Be Ready to Learn will help us to continue to provide a learning environment where every child can be successful. This learning environment includes all students wearing the school uniform as it promotes unity. Students will continue to learn that being their best and doing their best is always important, no matter how difficult the challenge is. We will focus on personalized learning, ensuring all students are getting what they need, whether remediation for unfinished learning or acceleration for those who need it.

In order to help your child enter the school year successfully, we wanted to remind you of the following:

- The First Day of School for All Students will be on September 7th at 8:00 AM
- Open School Night/Orientation (virtual) will be on September 20th at 6:00 PM

We embrace the challenges of the future while we continue to cherish and celebrate the traditions of the past. Our remarkable staff, our involved parents, and our committed students come together to make Lavelle High School a wonderful, unique place!

We have an exciting year ahead of us. It remains an honor and privilege to serve as your principal. Together, we will make this school year one of growth and achievement for all Lavelle students!

In Partnership,
Dhurata Rexha
Lavelle High School Principal
