

GREAT SCHOOLS FOR STUDENTS AND TEACHERS

Dear Stingray Families,

The countdown begins! I cannot believe we are in the month of August and in a few short weeks our fall semester will begin. We are ecstatic to have had over 70 students graduate from the '22/'23 school year and even more excited to welcome our new students and their families. We want your child to be happy and successful at our school and believe that you are our most vital partner. Even as your child becomes more independent, your interest and support will continue to be a significant factor in your child's success.

At New Ventures Charter School, we strongly believe that our school is a dynamic place for your child to thrive in. As New Ventures students and parents, you will see a concerted effort placed on the student and family experience. Through our model, we are moving to a space of wraparound services; providing whatever is necessary to ensure that every child has what they need to feel and be successful.

In order to help you enter the school year successfully, we wanted to remind you of the following:

- Summer Semester: The last day of classes for our summer program ends on August 15th. Regent Exams are on August 16th and 17th. Times will be sent out to all students who will be scheduled for these assessments.
- School Calendar: Attached, please find the [2023-2024 school calendar](#).
- Required Paperwork: Our Principal's Assistant, Valerie Wittlin will be in touch with students and families who are missing paperwork regarding personal documentation.
- Important Dates:
 - September 7th - First Day of School for All Students. Students will arrive at the school no later than 3:15pm.
 - A school-wide Student Orientation will be held on September 7th at 3:15pm

We look forward to the up-coming school year and are excited about our partnership with our students and our families. Welcome to your New Venture!

Sincerely,
Ryan Melis, Principal
Amelia DePompo, Assistant Principal
