

Dear Richmond Prep Families,

The countdown begins! I cannot believe we are in the month of August and in a few short weeks, we will be back together again. We are ecstatic to have over 90% of our families returning and even more excited to welcome our new children and their families. We want your child to be happy and successful at Richmond Prep and believe that you are our most vital partner. Even as your child becomes more independent, your interest and support will continue to be a significant factor in your child's accomplishments. We want you to know that our goal is to help them be successful in this journey alongside you and your family.

Whether your child attends Lavelle Preparatory Charter School, New Ventures Charter School, Nicotra Early College Charter School, or Richmond Preparatory Charter School, we strongly believe that our schools are a dynamic place. As ICS students and parents, you will see a concerted effort placed on the student and family experience. Through our model, we are moving to a space of wraparound services; providing whatever is necessary to ensure that every child has what they need to feel and be successful.

In order to help your child enter the school year successfully, we wanted to remind you of the following:

- **Summer Assignments:** If your child received a summer assignment, please use the closing weeks of summer to complete them. These packets are necessary in order to prepare your child for the upcoming year. If your child attended summer school, they were exempt from completing the packet, as they were getting daily instruction in school. If you are unclear about these assignments, please reach out to your school principal directly.
- **School Calendar:** Attached, please find the 2023-2024 school calendar.
- **Required Paperwork:** You will receive information regarding the uniform policy, the technology policy, the lunch form, etc. Please carefully read the enclosed materials. Feel free to contact the school with any questions or concerns.

- **Communication:** Please check the RPCS website, as well as Parent Square regularly for important notifications. In addition, please ask your child if they received any notices during the day. Communication is key to the success of our children.
- **Important Dates:**
  - August 29th- Ice Cream Social- for our new incoming students. Your child will have the opportunity to meet their homeroom teacher, as well as classmates during this event.
  - September 7th- First Day of School for All Students
  - September 14th- Orientation Night- For all RPCS families and students. We encourage you to attend this informative meeting about the courses your child will be taking during the year, as well as give you an opportunity to meet the staff here at RPCS.

Enjoy your last weeks of summer vacation and get ready for a great school year!

Best Regards,

Omri Shick
